

Questions to ask your HVAC Contractor BEFORE you sign:

Does he/she have and can they document:

- a current up-to-date State License
<http://verify.sos.ga.gov/verification/>
- any complaints against them with the Construction Industry Licensing Board? (844) 753-7825
- EPA Certification
- City or County Business License
- City or County HVAC Permit
- Liability Insurance
- Workers' Compensation Insurance
- List of References
- How long have they been in business or if a new company where has the owner/manager worked before?
- Does the equipment have a warranty?
- Does he/she belong to CAAG or other professional trade associations?
- Will he/she be using licensed subcontractors?
